

Octavio Feline Foundation Newsletter

July
2006
1st Edition

Join us in our Grand Opening Ceremony where you can meet other members, friends, and celebrities!

All cat lovers will be reunited & can share their cat's stories. A selection of wines, beer and sangria will be served as well as the famous "tapas" from the prestigious 5 JJJJJ Spanish restaurant.

Date: Sat. July 22, 2006
Time: 6:30 - 8:00 PM
Where: 5 JJJJJ
7384 Bird Rd
Cost: \$ 20.00 p/person
RSVP by: July 15th, 06
sending your check to:
Octavio Feline Foundation
P.O. Box 440738
Miami, Fl. 33144 or by
calling: 305-267-0511

Since this program started a couple of months ago, the total number of cats sterilized by the foundation: **18**
Pregnant females: **7**
Unborn Kittens : **25**
Non-pregnant females: **4**
Males: **7**

These numbers do not include the cats taken by members directly to the participating vets. By now it is very difficult to keep track of those cats due to lack of volunteers.

Welcome to first issue of our newsletter!!!!

As you know my dream of so many years was to have my own rescue group. Well, now it is a reality. For so long I've been helping cats and kittens in our community not only by spaying and neutering them but also providing medical care as needed. All of this accomplished using my own personal funds, but like everything in life it has a limit and I reached mine. As you all know, I dedicated 3 years of my life to spaying/neutering cats and kittens and educating our community about the importance of spaying and neutering their pets to control pet overpopulation.

The difference between Octavio Feline Foundation and other rescue groups is that we help any cat or kitten, it doesn't matter if it is a pet or a stray as long as it has 4 legs and meows, we will be there!

Right now, I have only 2 volunteers and myself. I would like to be able to teach members how to TNR (trap, neuter, return) so they can be doing their own projects. For now I am concentrating my efforts on females and especially, pregnant females, low-income areas and elderly or handicapped citizens.
